Air Dog Toys put a new spin on popular favorites.

Air Dogs Toys are made with the same high-quality, rugged synthetic felt material as standard tennis balls, but with an added twist. These fetch toys are constructed in a variety of wild shapes that will never bounce the same way twice! Dogs will go crazy chasing after these erratic bouncing toys. Air Dog Toys are heavy duty to withstand the roughest abuse, yet the soft felt cover is gentle to dog's teeth. They're non-toxic, easy-to-clean, pressureless, brightly colored, and they float! Carded for easy pegboard display, these fun toys are a must for any retail shelf.

Attractively packaged for resale.

Great for recreational use in kennels!

The revolutionary GoDogGo™ launches the balls so you don't have to. Allows dogs to play fetch for hours without wearing out your throwing arm. Dogs get plenty of healthy exercise while enjoying a favorite activity. Perfect for use in puppy play groups, boarding kennels and canine day care. Dogs can be trained to interact with the launching action by returning balls back to the bucket for continuous activity. Holds up to 15 tennis balls. Battery-powered launcher allows you to vary the launch time from 7-15 seconds and distance from 15-35'. Lightweight design with easy-grab carrying handles. Uses 6 "D" size batteries (not included). Includes 6 tennis balls and an AC adapter.
